### **Since 1957**

Established in 1957 and incorporated in 1975 by George Kadlecik, Peter Haist and Donald Southcott, the Grand Bend & Area Chamber of Commerce is a small yet active Chamber, serving businesses located along Lake Huron's shoreline corridor.

Our Members are located south in Sarnia and north in Goderich, as well as closer to home in Arkona, Dashwood, Exeter, Forest, Grand Bend, Hensall, Ipperwash, Kettle Point, Northville, Parkhill, Port Franks, St. Joseph, Thedford, Varna and Zurich – and all points in between!

The Chamber's roots lie in the *Grand Bend Promotion Committee* of the 1950s, which worked to promote area tourism.

A Chamber of Commerce is dedicated to protecting and promoting the local business community with the GOAL of helping YOU network and prosper.

### 2020 Membership Fees - Due November 1

The Chamber's Membership Year runs November 1 to October 31. For new members joining us part way through our fiscal year, membership fees are prorated based on the remaining number of months.

#### **FEES & FTE EMPLOYEES**

Fees are based on the number of "Full Time Equivalent" (FTE) employees. FTE employees work 35 to 40 hours per week for 52 weeks. To calculate the full time equivalency of seasonal or part-time staff, add up their total number of hours, divide by 40 hours and then divide by 52 weeks. This means four summer students working full time hours June, July and August add up to one full time equivalent employee.

#### **ADD-ON BUSINESSES**

Our employee-based fee structure means we can extend membership to ALL businesses owned and operated by a single business owner or group for just \$35 per additional business. Add-on businesses enjoy all the same membership rights and privileges as the "primary" member business.

### NEW! ItStartsAtTheBeach.com

Changing the title of the annual visitor guide to "It Starts At The Beach" provided greater scope to fully and inclusively promote the area's tourism assets and found traction with visitors, cottagers and residents.

The guide's visual and editorial evolution was inspired by award-winning visitor guides in the United States and Canada.
Benchmarking against toprated publications established a new approach to our marketing efforts. It's now time to transition our tourism-focused website to mirror the "It starts at the Beach" effort with a mobile-friendly re-launch.

Annually, 150,000 unique visitors use our site, and those who search "Grand Bend" or "Grand Bend Tourism" will be automatically sent to our new home "itstartsatthebeach.com". This change will ensure consistent branding and destination marketing, a best practice standard, and can be accomplished with a very small increase in annual fees.

On September 30,

ItStartsAtTheBeach.com will
launch displaying a modern,
clean look, a new logo and
website name, and a menu
that matches and mirrors our
visitor guide's editorial
sections. A special redirect
will ensure anyone typing

"grandbendtourism.com" will arrive at

"itstartsatthebeach.com".

Today's travel websites rely heavily on photography and simple menu systems, because of this the business directory's appearance is changing to make it more appealing and easier to use and to increase the information provided. Every member listing will include photography or graphic images, website and social media addresses, an interactive Google map and a new features section. The new features section will list amenities and services as appropriate to the business (such as "pets allowed/notallowed", "laundry facilities", "air conditioning", food styles.

The cost of having a fully upgraded listing will be shared by all members, providing savings to 72% of members and a small increase to others. All members will on, simply let us know! benefit from having this web package available to them, unlike previous years when website and social media marketing was not deemed an absolute requirement for tourism success.

On this year's membership renewal invoice, look for the line "fully upgraded ItStartsAtTheBeach.com listing" - \$50
