

FINALLY, PAYROLL AND BENEFITS ARE
WORKING TOGETHER.

Input data once and it updates everywhere.

TANDEM

Payroll. Benefits. Synchronized.

Canada's leading payroll and benefit platforms have developed a truly synchronized solution so you can manage your payroll and insurance data effortlessly.

SIMPLIFIED PREMIUM RENEWAL

Rate changes for each benefit are automatically integrated into payroll, meaning premium renewal time just got a lot less stressful.

40% MORE TIME SAVINGS

Conveniently update everything from employee records to benefit contributions in 40% less time. Skip unnecessary steps, including printing benefit files and manually calculating employee contribution rates.

ACCURACY EVERY TIME

Employee records and benefit changes sync automatically so your data is always accurate, eliminating the need to manually reconcile each pay period.

**THE ONLY REAL-TIME INTEGRATION OF
PAYROLL AND BENEFITS FOR CANADIAN
BUSINESSES.**
